Dear Mr. Block:

On the Beech-Nut Packing Co. broadcast order it was specified that a spot should be placed after a classical music program and before a sportscast at 8:45 p.m. each day. On our daily schedule, we have a thirty-minute classical music program from 8:30 to 9:00 and rather than break into the continuity of this, we have changed the spot broadcast time from 8:45 to 9:00 p.m.

This change will be noted on our affidavit.

Very truly yours,

Sales Director.
